

**13th Annual Hispanic Family
Physical Activity and Healthy Lifestyle Event**
Saturday • June 15, 2019
McKinley Park Fieldhouse
2210 W. Pershing Rd. • Chicago IL 60609
10:00am – 2:00pm

Is good health important to you?
Then don't miss the 13th Annual
¡Vive tu Vida! Get up! Get moving!® Chicago
FREE Family Health Event

This is not just another health fair. It's the chance to celebrate family and good health, while also bringing your organization quality face-time with the community. This event draws over 2,000 individuals each year.

Chronic diseases such as diabetes, heart disease, asthma, HIV/AIDS, and childhood and adult obesity are affecting many in our community. ¡Vive tu Vida! Get up! Get moving! provides the perfect opportunity to showcase products and services that address these health issues, preventive care, and positive lifestyle choices.

¡Vive tu Vida! is designed to promote individual and family physical activity for better health. The event will include organized physical activities for adults and children (including soccer tournaments), screenings, and take-home information. ¡Vive tu vida! Get up! Get moving! has something for everyone.

Partner with hosts The Chicago Hispanic Health Coalition and the National Alliance for Hispanic Health to bring valuable resources and information to families in Chicagoland. Learn how you can become a sponsor and Get up! Get moving!

Presented by:

2019 CHICAGO SPONSORSHIP OPPORTUNITIES

With equal attention to both the health concerns of the Hispanic community and education to help Latinos/Hispanics make informed choices about their well-being, ¡Vive tu vida! Get Up! Get Moving! Chicago is a platform for sponsors to engage families in conversations about health and active lifestyle products and services.

Created by the National Alliance for Hispanic Health, the nation's leading authority on Hispanic health with a network of Hispanic community-based organizations that deliver services to over 15 million persons annually. ¡Vive tu vida! Get Up! Get Moving! Chicago was licensed in 2019 to 11 community-based organizations in the U.S. to bring attention to the benefits of physical activity.

Certain chronic diseases—diabetes, asthma, depression, HIV/AIDS, cervical cancer—as well as obesity, disproportionately affect Latinos in this country. In addition, lower rates of physical exercise are having a negative impact on the health and well-being of Hispanic communities. ¡Vive tu vida! Get Up! Get Moving! Chicago is a showcase for brands that address health issues that affect Latinos as well as those that encourage preventative and active lifestyle choices. Along with community-developed fun physical activities, each local event will feature personalities from national sports association partners and participation of local Univision television and radio personalities.

As 2019 Spanish-market National Media Sponsor, Univision Communications and its *Salud es vida entérate* Campaign will promote ¡Vive tu vida! Get Up! Get Moving! Chicago and the events via an integrated media campaign that includes:

- Production of a national public service announcement in Spanish and English featuring an Univision personality.

Univision Local Media Chicago will also include:

- Production of Spanish language public service announcements that will air on Univision/WGBO-TV and UniMas/WXFT-TV as well as our 4 radio stations.
- Interviews and coverage prior to the event.

Become a sponsor of ¡Vive tu vida! Get Up! Get Moving! Chicago and interact with Latino/Hispanic consumers in an experiential setting designed to raise brand image, increase company awareness, and build customer loyalty as you visibly support the community.
